VIETNAM ESG CHALLENGE 2024

TURNING IDEAS INTO ACTION

VIETNAM ESG CHALLENGE

State Securities
Commission
of Vietnam

- This is the first and only ESG Challenge designed for Vietnamese university students.
- This is an annual Challenge with the 1st season in 2023.

The Challenge's Aims

State Securities
Commission
of Vietnam

Create a "playground" that combines academics and practice for students to learn and research on Sustainability and ESG.

Raise the awareness of the young generation in particular and society in general about corporate governance and sustainable development.

Develop the skills and knowledge of the younger generation about corporate governance associated with ESG, improve understanding of the role and interests of shareholders.

The opportunity to show the pioneering and commitment of stakeholders (including management agencies, schools, businesses) to sustainable development.
